CARNAL CAMERA

Our roving photographer isn't always out roamin' around. He also has a very busy career photographing naked women and copulating couples for men's magazines at his Hollywood studio. But lately he's been having problems with his new makeup girl, Barbie. Fresh out of beauty college in her Ohio Valley home town, the newcomer was at first dutiful and quiet at her first Hollywood job as a photo assistant and makeup girl. She was even shocked at first by what she saw. But it didn't take Barbie long to start discreetly criticizing the young models she worked with. "You call that having hot sex?" she wanted to say out loud. "I could do better!"

Makeup artist Barbie adamantly told our shutterbug that she could fuck and suck cock as well as any of his professional models—and proved it!

22281

It all came to a head, literally, when Barbie was putting a little makeup on the guy who had been hired that day. She was so blown away by him that she asked herself, *Why aren't I fucking this guy? I could do better than that bitch who's scheduled in here today.* And then, as luck would have it, the regular model called in at the last moment to say she couldn't make it. "Don't worry," Barbie told the girl. "I would really hate to see this guy go to waste. I'll do it!"

So Barbie abandoned her makeup table and took the scheduled model's place, because she couldn't wait to fuck the stud who was hired for the day!

As Barbie would say later, she couldn't believe that she lost her head like that and just jumped right into X-rated modeling on an impulse. But she didn't regret it. As she told us later, "He's the sort of really sexy guy who never pays any attention to me because he's looking for girls more his type. But I wanted to fuck him real bad—plus, I really needed the extra money." So just when it looked like our photographer was going to have to scuttle the session, Barbie said, "Let me do it. Besides, I know I'm better than that other bitch." Our photographer was a little skeptical at first, because it's always difficult to do a good shoot with a brand new girl. But Barbie had watched enough sessions to know all the do's and the don'ts of having sex in front of a still camera. And when she threw herself into the action, her natural attraction for the guy made her forget her nervousness. Our photographer was duly impressed. Barbie did the session like a pro.

From now on, Barbie will be making double pay on photo shoots—doing the makeup, then sucking lots of cock and getting fucked in front of the camera!

HOW LONG WILL IT TAKE FOR MY MAXIMUM ENLARGEMENT?

In a couple of weeks the change will be the width and longer lasting erections. After a month or two you will see a change in the length and again you will be thicker and wider. After the third month a very noticeable change, not just in size, but you will look firmer, stronger than you ever dreamed possible. You need three to four months to grow to your maximum potential and we offer special prices for a three or four months supply with a 100% MONEY BACK GUARANTEE AND FREE OFFER!

WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHICH FORMULA IS BEST FOR YOU?

PRO+PLUS PILLS ADVANCED FORMULA

Our exclusive advanced formula for men with a form of HYPOSPADIAS or small penis since they were young. Size now is less than 6 inches and need a guarantee of accelerated enlargement to reach a much larger size. Can also be used by men larger than 6 inches and need guaranteed maximum enlargement.

PRO+PLUS PILLS ORIGINAL FORMULA

This formula is for men who are now 5 inches or more and want to be guaranteed maximum enlargement.

PRO+PLUS ENLARGEMENT PILLS are produced to give you a premium quality scientifically formulated product that can help you achieve all of your enlargement goals.

Please see our ingredients and to order at www.proplusmedical.com or www.pluspills.com

OUR 100% MONEY BACK GUARANTEE

IMPORTANT! There are many imitations. If you do not see a 100% MONEY BACK GUARANTEE then you DO NOT have a money back guarantee.

OUR GUARANTEE: If you are not completely satisfied, return the bottle(s) within 2 months and receive a full 100% refund including shipping.

WHAT WILL PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis enlargement up to 5 inches or more!
- A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis "hangs" larger all day.
- You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.
- Erections when you want them. Rock-hard erections every time.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

Two Knobs For Nicole

When Nicole Sheridan
Begged Us To Hire Two
Well-Hung Studs To
Double-Penetrate Her,
We Couldn't Refuse!

News travels fast in the porno business.

As soon as our old pal Nicole Sheridan found out we were shooting a custom session with Jewel De'Nyle (last month's *Queen of De Nyle*, featuring one of the hottest DPs we've ever run), Nicole was on the phone to our editor, demanding to know why we weren't doing a DP extravaganza with her. "What am I, chopped liver?" she indignantly asked us. "Why don't you shoot me doing one of *my* sex fantasies? I guarantee that you'll forget Miss De'Nyle!"

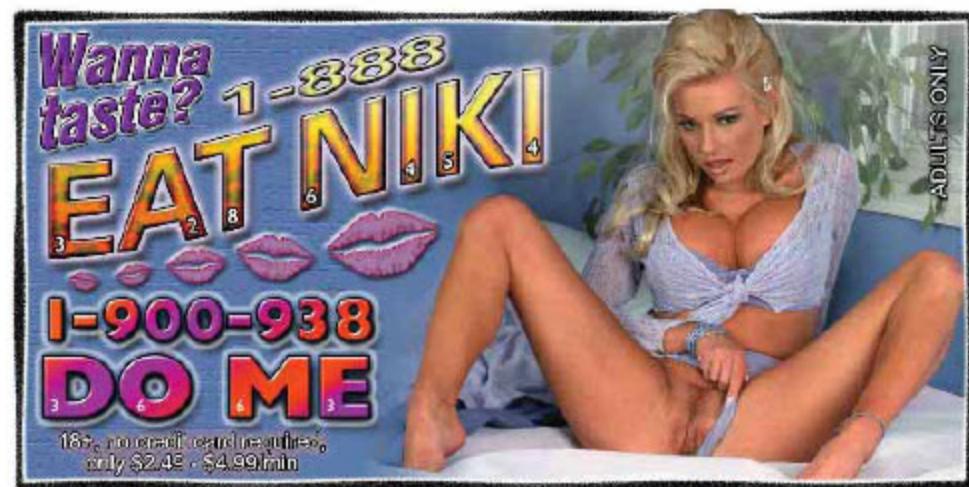

Whereas Jewel's sex fantasy took place in ancient Egypt, Nicole was more interested in the Victorian era of only a hundred years ago. "I love the idea that sex was so repressed in those days," she said. "Women dressed up in all those ornate clothes and acted like sex did not even exist. But if you got them behind closed doors, watch out. I think sex was probably more fun then because it was actually dirty and forbidden. I mean, it's fun being a total slut, which I am, but I think maybe if I was a sexual prude who suddenly found herself getting DP'd, it would be a lot more deliciously enjoyable!"

When Nicole came on the set dressed in her Victorian finery, she said she felt like she was on a kind of pedestal, waiting for her two studs, Voodoo and Joey Ray, to yank her down from her lofty perch and totally ravish her with their cocks and make her feel dirty. "One of the problems about being a complete sexual being like I am, you don't think of sex as being dirty anymore, and so you lose that sense of violation, which can give sex an extra spice. If you see two big cocks fucking me in my pussy and my ass, that's not the same as watching the sweet, innocent girl next door getting DP'd, right? Well, I'm just trying to feel like I'm a virgin again. I want to start off pure, and then I want both guys to just fuck me like I'm the nastiest, dirtiest little whore in the world!"

Brenda & Bruno

A PRICK IN TIME

Women Get Desperately
Horny, Too. And When That
Craving For Cock Grabs
Them, They're Willing To
Do Just About Anything!

Her hunger came to her while she was home alone, watching TV. She felt herself burning inside and needed relief. Luckily, she could hear the television in the next apartment, where her new neighbor, Bruno, lived. She'd only spoken to him a couple of times. In fact, she'd treated him coldly. But right now she wanted him bad—simply because he was right there next door. She pounded on his door. When Bruno opened it and stared at her, Brenda felt awkward, unsure of what to say to him. "Why don't you come on in?" he said with a smile.

Alone, Bruno had been wondering if he had any chance with the girl in the next apartment when Brenda knocked on his door. He sensed her sexual hunger, and as soon as she came in, he took her in his arms to kiss her. That was the push she needed. Brenda put her hand down his pants and told him he could do anything he wanted. That's why, after fucking Brenda good, he squatted on her pretty face while she sucked him off and pumped several loads of cum down her hungry throat!

Maya may be new to the biz, but she's definitely not one to take things "slow." She was made airtight in *Swank Extreme 3* and as you can see here, she loved every minute of it! One of the nastiest girls shot in that movie, Maya's scene was definitely the dirtiest of her short career. But enough with the small talk, we'll let these decadent pics do the talking!

THOSE WERE THE LAYS

By William Margold

"There is no future if in the present we fail to pay homage to the past."

While almost everyone who was aroused and/or entertained by explicit adult films in the late 1960's and early 1970's was fully aware of such fornicating folk heroes as John C. "The King" Holmes, Marilyn "Behind The Green Door" Chambers, and, of course, Linda "Deep Throat" Lovelace, during that same era, there were a heated handful of slightly less known names, who were nevertheless extremely important in helping to "lay" the carnal cinematic cornerstones that would eventually become today's multi-billion dollar force.

And it is to those lusty ladies and not-so-gentle-men, who were already pubescently paving the way, despite the omnipresent insidiousness of overly zealous Administrative Vice officers within the Los Angeles Police Department, when I arrived on the skin scene, with my pen in one hand, and my dick in the other, in 1972, that this column is richly dedicated.

If one had to choose the erotic epicenter of the early "daze"—it would have to have been the offices of "Reb" Sunset International on Las Palmas Avenue in Hollywood—the major adult talent casting of that period.

Craig "Reb" Sawitz called me at the office of Spectrum West, one of the many alternative "underground" newspapers of that era, to demand an answer as to why his ad wasn't in the May, 1972 issue of our publication.

He was very angry.

I researched our records, and discovered that he had, in fact, never placed an ad.

He was still angry.

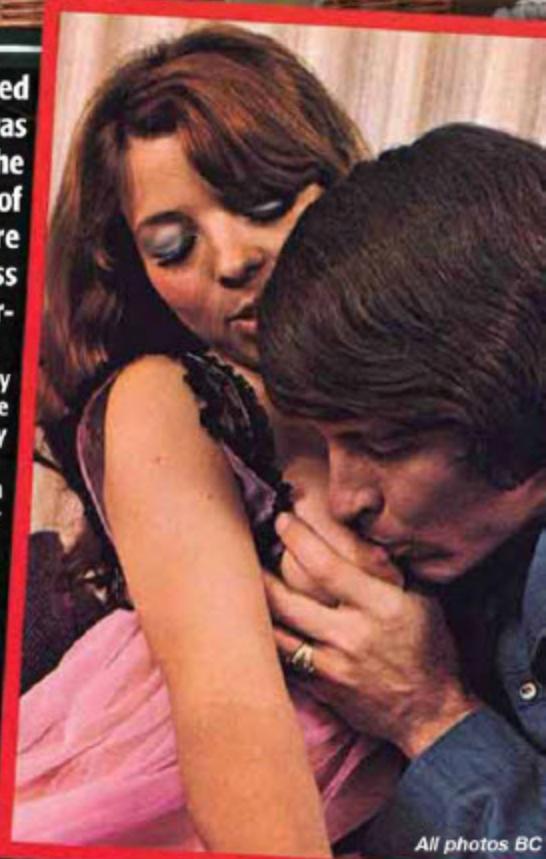

I politely suggested that perhaps he had placed the ad in another one of the adult papers of that time, such as The Free Press, The Hollywood Press, or The Star.

He wasn't having any of that reasoning. And now he was screaming at me over the phone. And now...I was mad.

Determined to defend the honor of our fine rag, I hopped on my Vespa, and "scooted" over to his office.

I stormed past an attractive blonde, who was playing the part of Sunset International's receptionist that day, and confronted "Reb."

Thankfully, I caught him off guard (he was busy photographing a pile of naked bodies on a big round pink bed), and I was able to size up the situation, first—"Reb" was a bristling package of fur and muscles, and I, although lean, and in pretty good shape from playing in flag football leagues, was certainly no match for him in a physical confrontation—so employing the concept that discretion is the better part of valor (being "quick-witted" as well as possessing a modicum of common sense)—I immediately offered to write a story about his operation (portions of which were still writhing quite comfortably in front of me, as if I were simply another piece of furniture in the studio) for the next issue of *Spectrum West*.

And thus began a "beautiful friendship."

By our mutual experiences in various juvenile detention facilities, our fan worship of the New York Yankees, his rising to the opportunity of playing on football teams with me on Saturdays and Sundays, and of course, the fact that I told him that I would be delighted to run his office for him, at absolutely no cost at all to him, our bonding was brotherhood minus the bloodlines, although quite frankly, I strongly suspect that we are all related by quirks of fate as well as fucking.

I told him that I wanted to meet the actors and actresses of that era, and that I wanted to "go behind the scenes" and tell the "tails" of the people who performed for the camera.

Of course, I needed a base of operation to do that, and by early 1973, "Reb" had moved his offices to the third floor of 6912 Hollywood Boulevard (right across from the legendary Chinese Theatre), and although he didn't realize it when he tossed me the keys, my destiny was set.

Indeed, it was in those offices, above the Seven Seas nightclub, all of which were owned by a man named Eddie Nash (but that's another story), that virtually everyone within the extremely small "Family of X" (a term that I coined, and that resonates throughout Paul Thomas Anderson's film "Boogie Nights"), would come in for work assignments, and of course, to pick up money.

My first crush in the business was over a gorgeous redhead named Cyndee Summers, whom I nicknamed "Lady Vanity." But she was already "taken"—by a perfectly suited male counterpart, Rick Cassidy.

They were one of the two great couples of that era.

The other "coupling" was a Kewpie-doll looking blonde, named Rene Bond, who was always in the company of a fellow named Ric Lutze.

But easily the most fragilely beautiful actress of the day was a thin blonde named Sandy Carey. She could make my knees buckle from 100 yards away.

In time, I would come to work, one way or another, with all of the above. And you are welcome to read into that statement whatever you like, although, don't start getting your hedonistic hopes up very high, as back in the very early part of my career, I knew my place and for the most part, I stayed there!

On the second floor of 6912, which was known as The Cinemat Building, were the many set-decorated offices of a seemingly born ancient photographer named Sam Menning. He booked lots of talent from me, and when some of the male talent didn't show up—or couldn't get it up—he would allow me to come downstairs, and "perform."

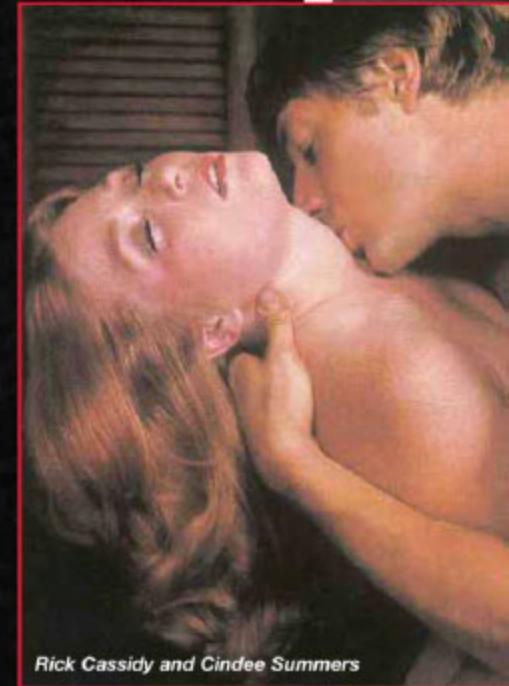

In many, many, many cases, I was only "utilized" from the waist down.

Having discovered that I had a seemingly pleasure depriving "dehumanized" ability to "do the job"—I "stunt cocked" for quite a few fellows who came to the plate and struck out.

My baseball-themed analogy herein was that I was at bat with two outs in the bottom of the ninth inning, the bases were loaded, and I wasn't allowed to foul off a ball. Invariably, I could knock out at least a single, but I was better known for lacing doubles or triples, and even managed to belt out a couple of home runs.

The copiousness of my appreciation of the orifice that I was plunging into, and then pulling out from, always seemed to be the determining factor of just how much "goo" was gotten out of me!

But in reality, because my left hand was the best, and cheapest, and most delightfully silent date that I'd ever had, getting myself up with spit, and employing what looked to the fainthearted as a rather vicious downward pull of my appendage which became known as "The Hose," rarely failed to pro-

duce whatever was needed, when it was kneaded!

By the way, if you are wondering, I'm right handed. But I would never waste my good hand on my dick.

That hand was reserved for writing or eating or brushing my teeth or playing with my remote control.

And of course, wiping my ass!

In fact, when I shattered part of my left hand, and broke my left wrist playing football one season, my entire balance was thrown off trying to teach my right hand to make my meat ready to meet the molten moments that were splayed, or kneeling, or on their elbows, in front of me.

But, as previously stated, with rare exception, even when out of tune with my inner self, I was pretty damn good at what I was brought in to do, as will be revealed in the next installment of "Those Were The Lays."

William Margold's actions and activities have spanned the entire timeline of the modern adult hardcore entertainment industry (1972-present), and along the way, he has founded a number of organizations including The Fans of X-Rated Entertainment (www.foxe.com) and Protecting Adult Welfare (www.pawfoundation.org).
